

Northern Territory Business Events Support Fund

Guidelines

NT Business Events Support Fund Doubled.

The current incentive amount offered through the NT Business Events Support Fund will be doubled to \$200 per delegate for eligible applications received by 31 May 2020 for events staged by 30 June 2021.

Introduction

The Northern Territory Government, through the Department of Tourism, Sport and Culture, acknowledges the importance of business events to the Territory economy and the role they play in enhancing the local knowledge base and being a catalyst for innovation, investment and trade.

The Northern Territory Business Events Support Fund (NTBESF) aims to assist the Territory business events sector to more aggressively compete with rival destinations by providing support funding assistance to organisers of qualified corporate meetings, conferences, conventions, exhibitions and incentives.

Who Can Apply?

Business events planners or organisations considering the Northern Territory as the destination in which to stage their business event may apply for financial assistance of AUD\$100 per delegate.

Availability checklist

Before beginning your application, please ensure your event meets the following eligibility criteria:

- The event is not yet confirmed for the Northern Territory
- Other Australian or international destinations are also being considered
- 80% of delegates will travel from outside of the NT
- This event has been held previously (i.e. this isn't a new event)

How can the financial assistance be used?

In line with NT Government's Buy Local policy, financial assistance may be used for any of the following:

- Engagement of a local Professional Conference Organiser or Destination Management Company;
- Gala dinner;
- Welcome function;
- Technical touring element;
- Corporate Social Responsibility (CSR) element;
- Local key note speaker (e.g. a local expert or affiliation with local experts);
- Freight which incorporates the use of a local supplier (can be an international or national operator with a Northern Territory affiliation);
- On-the-ground transportation; and
- Other activities that demonstrate support of local NT businesses e.g. printing, filming and photography, delegate lanyard and satchel production.

Northern Territory Business Events Support Fund

Guidelines

Eligibility and Criteria

Priority for support will be given to staging a business event that aligns with the Territory's economic and social strengths in the following industries:

- Health – tropical health, rural and remote health delivery, Indigenous health (including bush medicine), critical care, emergency management and trauma response and research;
- Agribusiness – agriculture, aquaculture, pastoral, horticulture and related bio-security research and development;
- Land Management – desert knowledge, weed management, water and waste management;
- Mining, minerals, oil and gas;
- Renewable energies – solar;
- Education – Indigenous, distance education and international;
- Defence and defence related industries;
- Tourism and related industries;
- Creative industries eg Arts, Culture, Media, Entertainment, Architecture and Information Technology including creative software.

Support for business events that do not align with the above will be considered on a case-by-case basis providing significant economic returns and flow-on benefits to the Territory can be demonstrated.

To be eligible, events must demonstrate historical data and a shortlist of destinations the Territory is competing against. Seed funding to run an event is outside the scope of the NTBESF.

Events already confirmed for the Northern Territory are not eligible to apply for this funding and this includes where a verbal decision has been made and/or formal marketing is already in existence to promote the event.

From time to time, NT Business Events (NTBE) conducts delegate surveying to assist with measuring the economic outcomes of conferences staged in the Northern Territory. Organisations who successfully apply to receive funding will be required to participate in delegate surveying if requested by NTBE.

Application

A planner or organisation considering the Northern Territory as the destination in which to stage a business event should apply for financial assistance by completing the Northern Territory Business Events Support Fund application form.
